

## **TESTING:**

All applicants for CPS Certification must take and pass the IC&RC International Examination for Prevention Specialists (CPS). Testing will be computer-based.

Once an application is reviewed and approved, the applicant will be sent a Certification Test Reservation Form, which must be completed and returned to the Certification Office along with the test fee (\$300.00). The information supplied on the reservation form by the applicant will be provided to the testing company (SMT). The testing company will notify the applicant **via email** of the instructions for taking the computer-based test along with information on the locations of testing centers. The applicant will have six months from notification by the testing company in which to schedule and take the exam at a testing center. Failure to appear at the scheduled testing will result in the forfeiture of the test fee. The testing company will provide additional information on cancellation policies.

Test results will be provided to the applicant via email by the testing company. If an applicant fails the exam, s/he will have to wait for a period of 90 days before re-scheduling an exam.
